### **TO WHOMSOEVER IT MAY CONCERN**

We are glad to know that Mr. Henry Lewis from our parish is starting a trust in the name of Kind Hearts Trust with his partner to help with the less fortunate's and the needy people. I wish him best wishes in his good work towards humanity thus to help people in need. As I know him he is a kind hearted and genuinely interested in the above said organization. Gods all choicest blessings on him and on his trust.

With best wishes
